Game Reflection

1. What did you like about the game?

2. What did you find challenging about the game?

3. Was it hard for the pollutant group to collect the bean bags? Why?

4. What happened when your groups got switched, and there were more clouds than pollutants? Was it easier or harder to be a pollutant then?

5. What are some changes that you can make in real life to help out the oceans and clouds?
